

University of Missouri System

COLUMBIA | KANSAS CITY | ROLLA | ST. LOUIS

Members of the University Community:

At the close of business today, I received budget recommendations from the four campuses of the University of Missouri System. [These bold plans](#) will help us build a stronger and more vital institution together.

In the next two weeks, I will review these plans with campus leaders so we can formulate our short-term and long-term budget plans. Ultimately, our collective plan must reflect how we can transform our university as well as strengthen our teaching, research, economic development and outreach mission. During the first week of June, I will share final budget plans with the entire University community.

Thank you for engaging in this budget planning process and for your commitment to our University.

Sincerely,

Mun Y. Choi, Ph.D.
President
