**Please join me for a live
address on our University budget plan.**

Members of the UMSL Community:

During the past nine weeks, system and campus leaders, faculty, staff, students and other stakeholders developed innovative plans to respond to fiscal challenges in FY18 and beyond. On Friday, June 2 at 1 p.m., I invite you to view the live stream of my budget address. I will share key rescissions as well as strategic investments for the short-term and consolidations and centralization efforts to streamline our operation to support teaching, research and outreach. The live stream link will be available on the [Budget Planning](#) webpage at that time.

I encourage you to stay involved in the budget process by reaching out to your campus leaders with any questions you may have. Your feedback was critical to the planning process, and reaffirmed my belief that our faculty, staff and students are the catalysts for a stronger University dedicated to excellence. Chancellor George and I sincerely thank you for your participation.

Best,

Mun Y. Choi, Ph.D.
President
