The University of Missouri-St. Louis (UMSL) College of Nursing invites applications for full-time tenure track/tenured and teaching track faculty positions. UMSL is a premier public metropolitan university that attracts and encourages outstanding students and faculty to collaborate in learning and scholarship. The College of Nursing supports a growing research and scholarship enterprise that provides excellent opportunities for faculty and students to contribute to the advancement of nursing and health care. Collaboration with healthcare organizations and community partners support the generation, translation, dissemination, and application of knowledge to improve health outcomes. Our educational programs prepare future leaders for roles as clinicians, educators, and scientists. We are committed to faculty development that supports academic, professional and personal success.

Applications are encouraged from individuals in the following areas of expertise:

- Adult Acute Care
- Pediatric Health
- Maternal-Child Health
- Psych-Mental Health
- Adult/Gero Primary Care Nurse Practitioner
- Family Nurse Practitioner
- Pediatric Primary Care Nurse Practitioner

This listing is intended to inform prospective candidates of the factors upon which their candidacies will be evaluated. The absence of one or more of these factors will not necessarily cause a candidate to be removed from consideration or potential appointment. For more information, visit http://www.umsl.edu/~nursingweb/employment.html

The University of Missouri-St. Louis is an affirmative action/equal opportunity employer committed to excellence through diversity.
