*Please note the following are not included in the estimated costs above: required general education courses (except ENGL 3100), textbooks & supplies, clinical expenses (i.e. physical, background check, uniforms, equipment, etc.), graduation & licensure expenses, room & board (optional), online course fees (if applicable). In past years, we have made attempts to estimate the costs of some of these items and include them on this cost sheet. However, with the myriad of options students now have—particularly with regards to textbooks—it is no longer possible for us to accurately estimate these expenses. Students should be aware that the costs listed above only pertain to tuition and fees, and that they can also expect to incur most of the additional expenses that are listed in this paragraph.*
