ASSOCIATE DEGREE IN NURSING
TO A
BACHELOR OF SCIENCE IN NURSING

UNIVERSITY OF MISSOURI – ST. LOUIS &
MINERAL AREA COLLEGE
TRANSFER GUIDE

This Guide is intended for the use of students who plan on transferring from Mineral Area College (MAC) with a completed Associate Degree in Nursing to the University of Missouri – St. Louis (UMSL) to pursue the Bachelor of Science in Nursing: RN to BSN Completion program.

The UMSL RN to BSN Completion Program is designed to be a flexible option, completed in five consecutive terms after transfer. Courses can be taken online or on the UMSL campus one evening per week. For more information on this program, please visit the UMSL College of Nursing's website. Also, it is highly recommended that prospective Nursing students meet with the UMSL College of Nursing as early as possible to make sure that they have all information relevant to their degree progress. The UMSL College of Nursing can be reached at (314) 516-6066 to schedule an information session.

The following are the requirements of the MAC Associate Degree in Nursing program as they are recommended for students intending to continue on into UMSL's Bachelor of Science in Nursing: RN to BSN Completion program. Completing these requirements as they are recommended here will maximize the transferability of a student’s coursework toward their UMSL Bachelors degree. Further details of this Associates program, as well as comprehensive schedule of courses, may be found within the MAC course catalog or may be obtained through a MAC advisor.

This guide is intended for use under advisement of a MAC Academic Advisor or UMSL Transfer Coordinator and is not considered to be substitution of such advisement.

PROGRAM ENTRANCE REQUIREMENTS 8 Hours
The following courses and requirements must be completed prior to applying for admission into the STLCC Associate in Applied Science in Nursing program:
- MAT 0950 Elementary Algebra (3) or Above - C grade or higher
