ABA Implementer

A career at Easterseals Midwest is more than a job – it is an opportunity to make a positive difference in people’s lives every day. ABA Implementers are the link to the community for those they serve and is one of the most exemplary reflections of the wonderful mission driven work we provide every day.

The ABA Implementer is responsible for successfully conducting applied behavior analysis therapy with individuals with autism spectrum disorders (ASD). The ABA Implementer also maintains regular communication with their assigned BCBA, their assigned clients’ families and/or staff to promote continuity in behavioral application of strategies and to share successes as they occur.

Qualifications

Education: High School Diploma/GED. May require a bachelor’s degree depending upon funding source of clients.

Experience: Experience working with individuals with autism and providing discrete trial preferred.

Other: Must have valid driver’s license with reliable transportation.

Position will work mainly part time evening hours. Opportunities for those who prefer part time day hours are also available.
