Dean Johnson,

Christina Linden, a former colleague of yours from the Public Defender Office, recommended that I contact you directly about to recruit for a position at our organization.

I currently have a full-time position for an MSW at St. Louis Psychiatric Rehabilitation Center. Our human resource department may have already sent a posting, but if not is there anything I can send you to inform recent graduates and alumni aware of the opening?

Here's a blurb about the job:

Full time, 40 hour per week position for Masters Level Social Worker. St. Louis Psychiatric Center (SLPRC) is an adult, inpatient psychiatric facility operated by the Missouri Department of Mental Health.

Applicants must have completed an accredited Masters of Social Work program and have experience working with chronically mentally ill adults. Familiarity with substance abuse treatment, forensic psychiatric services and local community resources are preferred. Licensure is not required but applicants must be willing to begin licensure process upon beginning of employment.
