Intern Housing at UMSL – Information

Availability and Rates
- Intern housing is available May 20th – August 5th, 2018. Interns may request an earlier arrival date, or later departure date. We have a very limited number of spaces we can set aside for early arrivals or late departures.
- Interns will only share suites with other interns. We typically keep suites specific to one gender (male or female) unless requested otherwise. We also typically group people from the same internship together as well as mix people from different internships in order to fill all rooms.
- Intern housing comes at the rate of $485 per person per month for stays longer than 30 days. We bill on the 1st of the month and payment is due by the 10th of that month.
- The cost of a parking pass and the 1st month’s rent are due at or prior to the time of arrival.
- If you need housing for less than 30 days, you can apply for guest housing which has the rate of $25 per person per day.

Oak Hall Accommodations Include:
