

The Department of Chemistry and  
Biochemistry  
University of Missouri-St. Louis

Announces

The Nineteenth Annual  
Robert W. Murray Lecture

**Michael J. Krische**

*Professor of Chemistry at the University of Texas-Austin, Director, Center for Green Chemistry and Catalysis, Robert A. Welch Chair in Science and a faculty member in the Environmental Science Institute.*

who will speak on

***Formation of C-C Bonds via Catalytic Hydrogenation  
and Transfer Hydrogenation***

4:00 pm Monday March 21, 2016

104 Stadler Hall

Professor Krische has been honored many times during a relatively short career. During the past 10 years his honors have included the Royal Society of Chemistry *Pedler Award*, a *Eun Lee Lectureship*, Korea, a *Japan Society for the Promotion of Science Fellowship*, an *ACS Cope Scholar Award*, a *GlaxoSmithKline Scholar Award*, the *Mukaiyama Award*, the *Humboldt Research Award*, a *Tetrahedron Young Investigator Award*, a *Novartis Lectureship Award*, the *Presidential Green Chemistry Award*, the *Dowpharma Prize*, the *Elias J. Corey Award*, and the *Solvias Ligand Prize*. His research interests include: transition metal catalysis, natural product synthesis, organometallic and green chemistry.

Parking is available in the West Drive parking garage
