

UMSL

The Department of Chemistry and Biochemistry at the University of Missouri St.-Louis

Presents the 32nd in the Series of
Distinguished Alumni Lectures

Martin E. Hayes

Director, ADC Platform Strategy, Global
Biologics Discovery, Abbvie Bioresearch
Center, Boston, MA

"Insights from a Chemist in Today's Pharmaceutical
Industry"

Preceded by the Departmental Awards Presentations for 2019

**Monday, May 6, 2019
Room 104 Stadler Hall**

Awards: 3:30 pm, Lecture: 4:00 pm

Martin earned a BS in Chemistry and a BA in Mathematics, both Summa Cum Laude from UMSL in 1999. Martin did undergraduate research with Chris Spilling. Martin then went to MIT where he obtained a PhD degree in Chemistry with Rick L. Danheiser. Martin is currently employed by AbbVie in Worcester, MA as a Director, ADC Platform Strategy, Global Biologics Discovery.

There will be a reception following the lecture to honor the senior class, the department award winners and the Distinguished Alumni Lecturer on the second floor atrium of the Science Learning Building

Parking should be available in the West Drive Garage
