Chancellor's Message

Dear UMSL Class of 2024,

I am honored and thrilled to be able to congratulate you on the remarkable milestone that is your graduation from the University of Missouri–St. Louis. Today is a day for celebration, tremendous joy and reflection—not to mention well-earned excitement about the future. Please, take it all in. This is your day!

I know that I speak for everyone at UMSL when I say we could not be happier to share in this celebration with you and your families. Please know that everything you've overcome, worked for, and through has not gone unnoticed. As we recognize your achievements, know that we are in awe of each of our graduates and we are all honored to celebrate the conferral of your degree.

My wish for you, and your family and friends, is that you are filled with pride today. I hope you feel the recognition you've rightly earned, and I hope you feel content in the knowledge that what you've achieved in your time here is a foundation for the rest of your future successes.

May you go forward ready to transform your life into the one you dream of—and help others do the same along the way. Best wishes and sincere congratulations, Tritons!

About the University

The University of Missouri–St. Louis

Much like our graduates, the University of Missouri–St. Louis is also a success story.

As a premier public research university in Missouri's most populous and economically important region, the University of Missouri–St. Louis provides excellent learning experiences and leadership opportunities to a diverse student body whose influence upon graduation is immense. No other university brings more to bear on the advancement of St. Louis than UMSL—which is fitting for a campus created just for that purpose.

In 1963, the university opened on the grounds of a closed golf course in Normandy, Missouri, out of a need to bring affordable, public education to the region. It had one building, a modest faculty and fewer than 700 students. Today, UMSL is spread across 350 acres of rolling hills in suburban St. Louis County and enrolls more than 15,000 students. While UMSL's more than 110,000 graduates are located in all 50 states and nearly 100 countries around the world, their greatest impact is felt right here in St. Louis where more than 80,000 alumni live, work, and thrive in the region.

UMSL is a Tier 1 research university—one of four in Missouri—and ranks No. 107 nationally among all public universities. U.S. News and World Report ranks UMSL No. 1 in Missouri and No. 75 nationally as a "Top Performer on Social Mobility" which highlights how well universities graduate students who receive federal Pell Grants.

The university is also a six-time recipient of the Higher Education Excellence in Diversity Award from Insights into Diversity magazine—the only Missouri university to earn this prestigious recognition repeatedly. Forbes Magazine has even named UMSL one of 'America's Best Colleges.'

As we celebrate our 60th anniversary, like you, we know that the University of Missouri–St. Louis has been a beacon of hope, a force for good, and a leader in the pursuit of excellence in education, meaningful research, and community service. You are a part of this legacy now and forever—and we know and trust that you will make us proud as you move forward along your individual journeys.

We transform lives

As the metropolitan, land-grant, research institution serving the most diverse and economically important region in Missouri, the University of Missouri–St. Louis delivers exceptional educational, research and engagement experiences that inform, prepare, challenge and inspire.

Academic excellence

UMSL's fundamental purpose is to educate and graduate diverse students as they seek different and better lives. Our academic programs emphasize student growth through research, internship opportunities, and one-on-one attention.

Our eight colleges and schools, as well as our joint engineering partnership, are anchored by our award-winning faculty and nationally-ranked programs, offering each student a high quality, invaluable and diverse educational opportunity.

About Commencement

Banners In addition to the coloring presented in the academic attire, each college is also represented on the university's commencement banners. The side panels of the banners are red and gold, the colors of the University of Missouri–St. Louis. The color of the center section, which bears the seal of the university, represents the academic college.

Candidates The commencement program is a roster of candidates from the Office of the Registrar, not an official list of graduates. The appropriate degrees and honors will be awarded to candidates who have successfully completed all requirements by the date of commencement.

Commencement A ceremony to celebrate a true milestone in each candidate's life and those of their guests. Excitement, joy and enthusiasm is expected and welcomed!

Degrees with Distinction A degree with distinction in research (RCH), scholarship (SCH) or creativity in the arts (ART) is an honor that recognizes a student for outstanding accomplishments in research and/or other creative endeavors. To graduate with a degree of distinction, students must have obtained 75 credit hours, a minimum 3.5 GPA, a faculty mentor, and have begun research, scholarship or creative endeavors of exceptional quality.

Latin Honors High scholastic achievement for undergraduate degree candidates is indicated by Latin honors.

To graduate with Latin honors, students must have attended UMSL for 56 graded hours and must meet the GPA qualifications listed below.

- *** summa cum laude: top 3% grade point average
- ** magna cum laude: next 5% grade point average
- * cum laude: next 12% grade point average

See the official University Bulletin for more information. Undergraduate degree candidates with Latin honors will be wearing red and gold tassels to signify their honors.

Student Government Association (SGA)

Representative A student in a leadership position within the campus SGA program who leads the Platform Party in the academic procession.

The Seal of the University of Missouri

The seal was adopted March 31, 1903. The straight perpendicular lines on the printed shield denote courage. The grizzly bear of Missouri is walking leisurely with face turned toward the observer. A new moon is outlined in blue, and in the lower right corner appears the arms of the United States of America. Appearing on an open book is the motto of the university, Salus Populi, The Welfare of the People. Sigill Universitatis Missouriien MDCCCXXXIX means the seal of the University of Missouri 1839, the year the university was established as the first state university west of the Mississippi River. The seal can be seen on the UM System flag located on the stage, to the right of the American flag.

The Optometric Oath

With full deliberation I freely and solemnly
pledge that:

I will practice the art and science of optometry
faithfully and conscientiously and to the fullest scope
of my competence.

I will uphold and honorably promote by example and
action the highest standards, ethics and ideals of my
chosen profession and the honor of the degree, Doctor
of Optometry, which has been granted me.

I will provide professional care for those who seek my
services, with concern, with compassion, and with due
regard for their human rights and dignity.

I will place the treatment of those who seek my care
above personal gain and strive to see that none shall lack
for proper care.

I will hold as privileged and inviolable all information
entrusted to me in confidence by my patients.

I will advise my patients full and honestly of all which
may serve to restore, maintain or enhance their vision
and general health.

I will strive continuously to broaden my knowledge and
skills so that my patients may benefit from all new and
efficacious means to enhance the care of human vision.

I will share information cordially and unselfishly with
my fellow optometrists and other professionals for
the benefit of patients and the advancement of human
knowledge and welfare.

I will do my utmost to serve my community, my country
and humankind as a citizen as well as an optometrist.

I hereby commit myself to be steadfast in the
performance of this my solemn oath and obligation.

Commencement Speaker and Honorary Degree Recipient

Warner Baxter
Executive Chairman, *retired*
Ameren Corporation

WARNER BAXTER earned a Bachelor of Science in Accounting from the University of Missouri–St. Louis in 1983 before building a most distinguished career in the energy sector.

After 12 years with PricewaterhouseCoopers, where he provided auditing and consulting services, he began his more than 25-year tenure with Ameren, the largest electric power provider in Missouri. He served in multiple leadership roles, including chairman, president and chief executive officer before retiring as executive chairman in 2023.

Mr. Baxter’s service to the community includes an extensive list of organizations and boards. He is board chair of the Edison Foundation and past chair of the Edison Electric Institute, the Electric Power Research Institute and Civic Progress of St. Louis. He was the founding chair of the American Cancer Society’s CEOs Against Cancer of Missouri.

Mr. Baxter has made meaningful and long-lasting contributions to higher education through his involvement with the University of Missouri System. He is a 1999 UMSL Distinguished Alumni Award Recipient and an active member and past president of the UMSL Chancellor’s Council. He is also a distinguished member of The University of Missouri 100 advocating for public policies and programs that promote the university’s goals of excellence in teaching, world-class research, service to all our citizens, and stimulation of an entrepreneurial economy.

Commencement Speaker

The Honorable Brian Williams
Missouri State Senate, District 14

SENATOR BRIAN WILLIAMS

earned a bachelor's degree from Southeast Missouri State University and a master's degree in public administration and legal studies from Washington University in St. Louis.

Since 2018, Senator Williams has proudly represented the 14th Senatorial District in St. Louis County and currently serves as the Assistant Minority Floor Leader. In his time as a senator, he has created legislation allowing those with sickle cell anemia to access needed pain medication prescriptions; protected individuals' MO ABLE funds for disability costs; passed comprehensive police reforms; and leads the Capitol's annual human trafficking awareness day.

Senator Williams has played a pivotal role in advocating for Transform UMSL, a bold and ambitious initiative designed to reimagine UMSL and build the metropolitan campus of the future.

Outside of his professional accomplishments, Senator Williams serves as a board director of People's Health Center and is a member of the advisory boards for St. Louis Crisis Nursery, Simmons Bank, iHeart Media, Nurses for Newborns and the University City Children's Center. He is also a proud member of Kappa Alpha Psi Fraternity, Inc.

Commencement Speaker

Miranda Ming, PhD

Executive Director, Momentum Academy

DR. MIRANDA MING holds a Bachelor of Science in secondary education, a master's degree in educational administration, an education specialist degree in education administration and a PhD in education from the University of Missouri–St. Louis.

Dr. Ming is the Executive Director of Momentum Academy in St. Louis and has held various leadership roles at Jennings Senior High and EAGLE College Prep.

During her time at Jennings Senior High, Dr. Ming played a role in the establishment of the Collaborative

Laboratory Internships and Mentorship (CLIMB) Program at UMSL. CLIMB aims to reduce the opportunity gap facing underfunded districts while immersing students in STEM opportunities.

She is the co-owner of KM Educational Design, an organization focused on creating school communities where the barriers do not control the outcomes. This area of passion is also the focus of “The Path Less Traveled: Creating Authentic STEM Career Pathways by Removing Barriers for Underestimated Youth”, a book that she co-authored.

Pierre Laclède Honors College

Students of the Pierre Laclède Honors College pursue any major they choose and complete either a two-year or a four-year honors program. Each student shares in a challenging and innovative curriculum, which occupies one-third of their undergraduate career.

The honors experience also requires independent study under the supervision of individual faculty. These projects include guided reading, supervised undergraduate research and/or academic- or career-related internships and public service projects. To this work, honors students bring their intelligence and a wide diversity of experience and values—among the college's most precious assets. Completion of the program marks a significant achievement.
