

Public Policy Administration, Master, Individualized Emphasis

Prior to the completion of 15 hours in the MPPA program, the student must present a proposal for ~~12~~-15 hours of specific coursework for approval by the student's advisor and the MPPA program director. The ~~12~~-15 hours must include P P ADM 6950, Internship (in an assignment relevant to the emphasis area). Students with significant public or nonprofit sector experience may request permission to waive the internship and replace it with an additional three-credit hour elective.

Sign-offs from other departments affected by this proposal

None

Rationale Updating concentrations to fit with streamlined and updated core curriculum
