

# Information Security Management and Auditing Graduate Certificate

## Admission Requirements

Applicants must meet general University of Missouri-St. Louis Graduate School admissions requirements.

## Certificate Requirements

All course prerequisites and all course waivers are applicable. Substitute courses may be approved by the appropriate department chairperson and the Director of Graduate Business Programs. This 12 credit hour certificate program also counts toward the 30 credit hour Master of Science in Information Systems and Technology degree program requirements. Students may choose to combine this certificate with other courses and/or certificates to obtain the Master of Science in Information Systems and Technology degree.

INFSYS 6820	Systems and IT Infrastructure	3
INFSYS 6828	Principles of Information Security	3
INFSYS 6878	Management of Information Security	3
INFSYS 6886	Information Systems and Cybersecurity Auditing	3
or ACCTNG 5436	System Auditing	
<b>Total Hours</b>		<b>12</b>

If other departments are affected by this proposal, please secure "sign-offs" and indicate for each department the following:

Department	Contact Person	Phone #	Objections
Computer Science	Cezary Janikow	516-6352	No
Accounting	Tom Kozloski	516-5722	No

**Justification for request:**

INFSYS 6886 (Information Systems and Cybersecurity Auditing) is being offered as an alternative option to ACCTNG 5436 (Systems Auditing) to provide students greater flexibility in completing the certificate. Also, the program can be completed online.
