

HOW THE WRITING CENTER COLLABORATES WITH UMSL FACULTY

BRAINSTORM WITH US TO MAKE YOUR WRITING ASSIGNMENTS STRONGER

You know what you want your students to learn. However, sometimes crafting the right assignment instructions can be difficult. Meet and talk with us; we can help you find the right language and get the best out of your students.

INTEGRATE THE WRITING CENTER INTO YOUR ASSIGNMENT

Make the Writing Center a component of your students' learning! While planning an assignment, we can work together to integrate the Writing Center's services into the learning process. Contact Writing Center Coordinator Chris Schott (schottcr@umsl.edu, x5613) for more information.

WE CAN COME TO YOUR CLASS AND TALK

Upon request, the Writing Center can come to your class and talk to students about what we do, how to get help, and why the Writing Center is a valuable resource. Contact Writing Center Coordinator Chris Schott (schottcr@umsl.edu, x5613) to learn more.

WE CAN PROVIDE PROOF OF STUDENT VISITS TO THE WRITING CENTER

If you're referring or requiring your students to visit the Writing Center, upon request, a Client Report Form can be provided to the student [and/or sent to you, too]. This form explains what was discussed and worked on during a writing consultation.

WE CAN HELP WITH *YOUR* WRITING

We don't just help students. If you're tired of looking at that article, book chapter, research proposal - literally anything at all - come see us. We're happy to talk about what you're working on and serve as that important second pair of eyes.
