

Nature Vibes

Yo, nature rap, no cap, I'm the gangster of green
With complex vocabulary, I paint a scene a serene scene
From the woods to the oceans, I'm repping the Earth
Every creature, every plant, from the moment of birth I
move at a medium tempo, like the ebb and flow
Of the tides, I ride, in the great outdoors I know
The beauty of the wild, the power of the land
In the language of the trees, I understand
So let's respect nature, and keep it pristine
'Cause in the grand design, we're all part of the same team. The green
team. The clean team. The moss on the trees there is thriving on the
leaves. Say hello to the clean team. The dream team.
