

Voters in Campus' Primary Place Shanker, Stimson on Executive Ballot for Wednesday

Groth to Speak Next Monday in Daytime Series

Mr. William Groth will continue the Daytime Lecture Series Monday, March 18 in room 218 at 12:00 speaking on "Your Museum." Mr. Groth is Supervisor of Education at the Museum of Science in St. Louis. Exhibits, purposes and programs of the museum will be discussed by Mr. Groth.

Mr. Stevens, campus zoology and botany instructor, lectured March 4 on "The Four Corner Area in the United States." His lecture included descriptions of the rock formations, rivers, and wildlife of the southwestern four-state area. It was supplemented with slides.

Continuing the Lecture Series on Tuesday, April 9 will be Mr. William Whealen with "Some Notes on Traditional Jazz," followed by a lecture on "Experiences in Japan" on April 22 by Mr. Emery Turner. Mr. Harold Eichoff will speak on "Foundations of Modern Medical Organization: The Free Enterprise Phase" on Monday, May 6.

Bengals Plan Dance Sat.

The Bengals will sponsor the Campus' first dance of the winter semester one week from tomorrow, Saturday, March 23, from 8 to 12 in the Campus auditorium.

Admission will be 25 cents per person. Gene Herman, President of the Bengals, emphasized that casual dress, such as slacks and bermudas will be appropriate. Denny Hengen and the Playboys will provide the music. Refreshments will be served at the dance.

Using gas lights donated by Laclede Gas Company, the Decorating Committee headed by Carl Doerr will seek to give the auditorium a Gaslight Square atmosphere.

Also assisting in the production to the dance is Cookie Fitzgerald's Dance Committee, composed of Mike Bernson, Phil Dean, Jan Finazzo, Mary Hildebrand and Carole Kral. The Bengals' plans for the remainder of the semester include a carwash and a bake sale.

WILLIAM GROTH

Property Transferal Measure Still Pending in State Senate

The Constitutional amendment which would permit the Normandy School District to transfer its title of the St. Louis Campus property to the University of Missouri is tentatively scheduled to come before the Missouri Senate within the week. At present, the bill remains on the Senate's informal calendar.

Presently, University officials are concerned with the problem of receiving sufficient appropriations to facilitate expansion and development of the St. Louis branch when the title is finally transferred. Elmer Ellis, President of the University, has asked the Legislature for a budget of \$3,500,000 to facilitate this expansion. Governor Dalton, however, had reduced this figure to \$1,750,000 in his budget recommendation to the general assembly. Speaking before the House Appropriations Committee on Tuesday, March 12, President Ellis asked the Committee to appropriate the full \$3,500,000. He is seeking for a 4 year branch of the University at St. Louis.

President Ellis said the money is to be used for a science building and combination administration-classroom building here. The University of Missouri proposes to buy the Normandy property from the Normandy School Board at a cost of \$60,000.

In order to encourage representatives to provide President Ellis the funds he has requested, St. Louis Campus students engaged last week in a letter writing campaign. As a result of the campaign

Reelections for Student Senate To Be Held Today From 8 to 3

Voters in next Wednesday's Student Association Executive elections will have a full slate of United Campus candidates, three Progressives and a lone independent from which to make their selections, as a result of the primary held Wednesday, March 13.

Final tabulation of the voting Wednesday showed that Stan Shanker lead the three Vice-Presidential aspirants with a total of 176 votes, followed by Jerry Stimson with 139 and Al Stein, 135.

Of more immediate importance, however, are today's reelections for the St. Louis Campus Student Senate. Voting will be held in the upstairs lounge from 8 a.m. to 3 p.m.

Also on the Campus' political schedule is a general assembly next Monday, March 18 at 9 a.m. in room 108. At this time the eight candidates for the general elections for Executive Offices, to be held next Wednesday, March 20, will present their qualifications and platforms. Time will also be provided for questions from the audience. All 9 o'clock classes will be dismissed.

The reelections were made necessary by the Student Court's decision on Friday, February 22, that the original voting (held February 15) was invalid. The court based its ruling on the fact that "procedures for voting were handled improperly. That is, the number of votes being changed from five to seven at the time the elections were in progress constituted a voting irregularity."

The Court also directed that in the new elections eight Senators be elected from both the freshman and sophomore class and that each student be allowed to vote for no more than five candidates.

Freshman candidates for the Senate are: Alan Stein, Pat Knarr, Ken Campbell, Emily Massa, Bill Ebbinghaus, Gary Markenson, Janet Halcomb, Anne Nolin, Gwendolyn Morrison, Sandy Lock, Michele Hawkins and Larry Ryan.

On the Sophomore ballot are: Carl Doerr, Bill Ruzicka, Charles Armbruster, Thomas Wharton, Jerry Brooks, Gene Herman, Ken Mares and George Douros.

In the Executive Elections, the United Campus party is the only remaining ticket to offer the voters a candidate for each office; Larry Ryan--candidate for President; Stan Shanker--candidate for Vice-President; Jane Zeiler--candidate for Treasurer; and Pat Knarr, candidate for Secretary.

As a result of Stein's elimination in the primary, the Progressive Party is left with Bill Ebbinghaus as its candidate for President John S. Hudy, candidate for Treasurer and Emily Massa, candidate for Secretary.

Jerry Stimson, whose filing for the office of Vice-President precipitated the primary, will run independently for that spot. Since his filing for the office, Stimson has waged largely a one-man campaign, concentrating on a one-page mimeographed hand-out statement for publicity.

In the primary, according to figures released by the Student Association, 258 students voted, slightly better than 49% of the Campus student body (521).

which was promoted by the faculty-student Committee for the Establishment of the Four-Year-Branch nearly 200 letters were sent to the Legislature from the Campus student body. In addition, both the SA and the faculty sent letters to each of the Senators and Representatives in the St. Louis area. The faculty letter requested the legislature to honor President Ellis' budget while the SA asked for specific support of the 1¢ increase.

The Senate passed the measure a week ago 22-9

Timetable

TODAY . . . 8 a.m. to 3 p.m., reelections for the winter semester student Senate in the upstairs lounge.

MARCH 18 . . . 9 a.m., all-student assembly in room 108 for presentation of platforms for candidates for SA Executive Offices. 12 noon, Daytime Lecture Series, Mr. William Groth, Supervisor of Education at the St. Louis Science Museum, presents "Your Museum."

MARCH 20 . . . 9 a.m. to 3 p.m., elections for SA Executive Offices.

MARCH 23 . . . 8 to 12 p.m., informal dance sponsored by the Bengals in the auditorium.

MARCH 29 . . . Next issue of the TIGER CUB.

For Recognition Now

At most schools a basketball team with both a conference and a post-season tourney championship to their credit in the same season would receive the generous congratulations of a proud school, perhaps even to the point where less sports-minded observers might charge 'athletic overemphasis.'

On this campus, however, the situation tends toward the other extreme, for this season Coach Bob Meyers' Cubs have accomplished both of the feats mentioned above and both feats have gone largely unnoticed by the majority of the Campus student body.

Yet that situation too will change, for someday this campus will rise to compete with other great universities for athletic as well as academic supremacy. And when that happens, observers will look back with amusement and probably some disbelief on the days when the Cubs had less than a month of practice before the opening of conference play, when even that limited time was reduced each night by junior high intramurals in the gym where they practiced, and when their attendance averaged less than 50 people a game.

But though the achievements of this and other early Cub squads may someday be dwarfed in prestige, they will never diminish in merit. If nothing else, the two trophies won by the club this year (the Campus' first) will always remind future generations of the achievements of these early pioneers of athletic tradition on the St. Louis Campus. We would do well to take more notice of those achievements now.

From a Babbleonian Viewpoint

By the Chief Editor of the Babylonian Hammurb

The candidates for Studious Offices this year are so busy preparing for the big rally next week that they have asked me, an outsider and therefore a more objective observer, to enumerate their superior qualities. While ordinarily I believe candidates for Precedent should meet their public, I realize the extreme difficulties involved in contacting the people of this modern, impersonal, immense society. So I will do this favor for them.

Slyly Sinew is the most patriotic looking of the two. He has 48" shoulders, thus appearing decidedly wholesome, and his pink eyes and checks have that healthy look. He says, if elected, he will do everything in his and his party Boss's power to look like a Precedent, which is, after all, the most important facet of the Precedent's job. In addition, he promises to hike 51 miles the day after the election.

Booth Youth does not have such masculine muscles, and is slightly slender, but he seems equally capable due to his slim youthfulness. He has a reddish purple Florida-like tan (which pleases all of the people all of the time) and which he promises to keep, if elected, with a new ultra-violet lamp bought with Party funds (oops) to replace the old one a conscientious objector broke at a recent rally.

Whichever you prefer, I feel sure that in voting you will do the only sensible thing by disregarding the issues and following your heart, not your head. Who could ask for anything more?

SA Clothing Drive Nets 8 Bushels

More than eight bushels of clothes were contributed to the SA's first clothing drive according to figures recently released by Ken Mares, who supervised the collection. At the conclusion of the drive last Friday, the clothes were divided and donated to the Visiting Nurses Association, 4160 Laclede and the Children's Service at 929 North Spring.

The drive was conducted under the auspices of the Health and Wealth Council of St. Louis, a United Fund Agency.

Assisting Mares in the drive were Anne Nolin, who drew the posters placed around the Campus, and Stephanie Taylor, who took care of the flyers publicizing the collection.

Stimson, UC, Progressives List Qualifications

Independent Runs for V-P

Jerry Stimson, independent candidate for vice-president, achieved a 3.2 grade average in his first semester on the Campus. A Business Administration major, he was also a member of this season's championship basketball squad.

Stimson is a member of the Boy Scout Executive Board of the Order of the Arrow which coordinates the activities of over 3,000 boys. In addition he is vice-president of the Suburban Chapter of the Order of the Arrow, an organization with a membership of over 200.

In high school Jerry was enrolled in accelerated math and science courses and finished both with a "B." He also lettered in basketball and track.

Here & Now . . . Normandy

By Mary Hildebrand

As a typical St. Louis spring (Spring--a season introduced by sunny skies and sixty degree temperatures immediately followed by snow, rain and the flu) rolls around, Campus reaction varies.

At Washington they go for long philosophical walks and fancies turn to thoughts of love. At St. Louis U. they open the library windows an extra two inches and fancies turn to thoughts of love. At Maryville they drop their knitting and fancies turn to thoughts of love.

Strange Reactions

On the St. Louis Campus they go for long hikes and fancies turn to thoughts of "How in the heck do I get my car out of this hole?" In the words of an unknown bard--whom we hope will stay that way--"Where, oh where did the little road go? I saw it there not ten minutes ago." Requests for new shock absorbers should, of course, be taken to the office where they will be cheerfully rejected. In the words of another infamous bard, "As long as there's a will there's a way. Let 'em go around!"

Water Worries

This naturally brings up the question of the shifting, whispering Campus ground where you step on one spot and the ground shifts for ten feet around. Some students have blamed the unusual phenomena on a mysterious underground river which is rumored to flow beneath the entire campus. After thorough research, we can happily report that no river flows under the Campus--it flows right over the top. We may soon have the only campus in Missouri where you can attend an economics lecture and go swimming at the same time.

Ryan and Shanker Head United Campus Ticket

Larry Ryan, United Campus candidate for the presidency, was awarded a scholarship from Carter Carburetor for \$250 a year. Ryan graduated from Roosevelt High where he was a member of the Varsity Tennis squad.

He is a reporter for the TIGER CUB and has a grade point average of 2.4. Larry is a member of the ROTC program at Washington University and is a prospective member of the rifle team.

Pat Knarr, Normandy High school, is now an assistant to the secretarial staff in the main office. She has had several courses in secretarial training and business letter writing. In high school she served on the student council and received one of only seven awards given out. Pat was also a member of the Honor Society and served as page editor on the Normandy Courier.

On this Campus, Miss Knarr has served on the Office Committee under Stephanie Taylor, the present Secretary, and is Sports Page editor of the TIGER CUB. Her grade point average is 2.37.

By Hildebrand

Mizzou Politics Draw Fire

After this column's absence for several months, activities at Columbia have once again made Mizzou worthy of mention.

Campus politics have led to the opening of warfare on the scale

of a mountaineers' feud. The Lambda Chi's opened the feud by stealing Zeta Beta Tau's campaign posters. When the ZBT's attempted to defend their property, the Lambda Chi's opened fire.

Stan Shanker, United Campus candidate for vice-president, is a graduate of University City High School. While at U. City, he served as chairman at both the Senior Committee, which manages the activities of the senior class, and the Carnival Committee, which manages the school's annual celebration.

Shanker was also a member of U. City's House of Representatives, captain of the baseball squad and a member of the cross-country team. On the St. Louis Campus, Stan has a grade point average of 2.0.

Jane Zeier, United Campus candidate for treasurer, is a 1962 graduate of Normandy High School and a member of the National Honor Society. She has served as president, chaplain and treasurer of her Tri-Hi-Y group and is a member of Mu Alpha Theta, a national honorary math society.

On the St. Louis Campus Miss Zeier has amassed a grade point average of 3.1. She plans to major in either mathematics or chemistry.

Result: one wounded ZBT, several probationed Lambda Chi.

Meanwhile, the Sigma Nu's and the Phi Gam's have been busy with their own pre-election activities. The Phi Gam's whose house is next to the Sig Nu house, posted a "Vote Alliance" sign on the Phi Gam lawn. The Sig Nu's, United Campus supporters expressed their displeasure by removing the Phi Gam sign. The Phi Gam's opened fire on the Sig Nu's from the second floor with their trusty fire hose. Not to be outdone, the Sig Nu's retaliated with a bucket brigade. This may have dampened the Phi Gam house, but not their fireworks which they broke out for an early Fourth of July demonstration...inside the Sig Nu house.

Ebbinghaus Leads Pros

Bill Ebbinghaus, Progressive Party candidate for the presidency, rated 21st in the senior class of Normandy Senior High. At Normandy he served on the student council and was editorial page editor of the Courier. He was a member of the National Honor Society and Quill and Scroll.

Ebbinghaus' grade point average is 3.45. Last semester he served as a member of the Campus Senate and the chairman of the Employment Committee.

Emily Massa, candidate for secretary and a graduate of Beaumont High School, is now employed on a part-time basis by the credit department of Famous-Barr. Her work includes general secretarial duties. From January to August of 1962, she was employed as a professional secretary by the St. Louis Union Trust Company. On the Campus she is serving as vice-president of the Bengals and finished last semester with a 2.3 grade average.

John Hudy, candidate for treasurer and a graduate of Normandy Senior High, is a judge on the Student Court and ended last semester with a 2.68 grade average. At Normandy he had two years of bookkeeping and accounting, and now plans to major in that field. For the past year he has been employed by Mercantile Trust Co.

He has had professional courses in the elements of economical accounting and operations for two semesters at the American Institute of Banking and finished second in his class.

Shaughnessy's Clutch Basket Boosts Cubs to 90-89 Win and Top Spot in Kiwanis Tourney

St. Louis Boys Club Downed In Final Post-Season Play

By John Waelner

Steve Shaughnessy's clutch basket with one minute of playing time remaining lifted Coach Bob Meyers' Tiger Cubs to a thrilling 90-89 decision over the host St. Louis Boys Club team in the championship contest of the Downtown Kiwanis Invitational Basketball Tournament March 8.

The game was a hotly contested battle, which saw the Cubs rally from a 10 point deficit early in the second half to grab the lead at 74-73 with seven minutes left to play on Captain Larry Thoele's two freethrows. The Boys Club then staged a rally of their own, setting the stage for the last minute scramble. The team received the first place trophy from representatives of the Downtown Kiwanis Club immediately after the game.

Shaughnessy and Thoele provided the big scoring punch for the Cubs with 26 and 25 points respectively. Charles Platipodis and Dave Willson played with their usual consistency, hitting 17 and 16 markers respectively.

The Cubs qualified for the championship contest by overpowering the Boys Club of St. Charles, 75-57, in a semi-final game of the Kiwanis Tournament March 6.

The Black and Gold cagers led throughout the contest, and were paced by Steve Shaughnessy's 24 markers. Charles Platipodis and Dave Willson contributed 18 and 14 points respectively.

The Tiger Cubs were forced to come from behind to defeat Frisco

Vote Today & Wednesday

THE BIGGEST CUB of them all, 6' 4", 200-pound Charley Platipodis, holds the biggest trophy of them all — first place cup from the Boys Club Invitational Tournament — while team captain Larry Thoele and Coach Bob Meyers look on.

Dates for Tennis Tourney To Be Posted Soon by SA

Plans are well under way for the spring tennis tournament directed by the Student Association Intramural Committee. The tourney will consist of three divisions: Men's singles, women's singles and mixed doubles. The entry fee will be \$.25 to cover the cost of balls and trophies. Entry blanks will be available in the SA office.

Gene Herman, unofficial chairman of the committee, reports that specific dates for the matches will be posted next Tuesday, March 19, in the SA office. All matches will be held on the front tennis courts.

Last Semester over 65 students participated in an independently sponsored tournament, won by Larry Thoele.

Railroad, 96-83, in a first round contest of the Downtown Kiwanis Tournament. The game was played March 4 at the Boys Club gym.

The Cubs rallied from a 54-44 halftime disadvantage to overtake the Frisco team. The final total was the Cubs' highest single game performance of the season.

Charles Platipodis led all scorers with 37 points. Dave Willson and Steve Shaughnessy pitched in with 23 and 18 markers respectively.

Campus Bowlers Tied for Fifth

The St. Louis Campus Bowlers dropped two out of a three game series with St. Louis Pharmacy last Saturday, March 9. With only two weeks left to play the Campus team is tied for fifth place in the Greater St. Louis College Bowling League.

Game scores for Saturday's meet were 988-897; 821-1028 and 1004-993. Mike Shepherd lead the team in the first game with a 168. Carl Doerr was head man in the second game earning a 213 and Mike McCrudden turned in a 199 for the third game.

Leading the team in season averages is Keith Eillermann with a 172 pins a game. Mike McCrudden is second with a 168 followed by Barry McClintock and Carl Doerr with a 158. "Shepherd, with a 20 pin increase in his average, is the most improved bowler on the team," states team Captain, Carl Doerr. Shepherd attributes his 20 pin increase to steady practice and constant competition.
